Wood Mountain, Saskatchewan

RETREAT  
CENTRE  
Experience  
Peace on the Prairies

## Peace on the Prairies

Rest and relax in our peaceful log home surrounded by rolling hills on the prairies. Our log home is equipped with two bedrooms, one full-bath, a fully-equipped kitchen and wood-burning stove. The wood stove makes for a cozy environment even in the dead of winter. If extra bed space is needed for groups that can be arranged by request in our Family Renewal Centre.

The ranch offers plenty of space for quiet and solitude throughout the year. Our hills and coulees are ideal for nature hikes, prayer walks, berry-picking, or simply feasting your eyes on the beauty of the prairie flora. Plentiful wildlife and livestock create a melody of sights and sounds: birds singing, coyotes howling, cattle and horses grazing quietly on the range.

We are located in a remote rural area. Before arriving ensure you have sufficient fuel in your vehicle, food supplies and water. There is no cell service in the log home and Wi-Fi is limited. There is cell service on the top of our cross-hill a short-distance walk.
